Please find below and/or attached an Office communication concerning this application or proceeding.

Application/Control Number: 09/928,546 Page 2

Art Unit: 3652

#### **DETAILED ACTION**

### Reissue Applications

1. While there is concurrent litigation related to this reissue application, action in this reissue application will NOT be stayed because of applicant's request that the application be examined at this time. Due to the related litigation status of this reissue application, EXTENSIONS OF TIME UNDER THE PROVISIONS OF 37 CFR 1.136(a) WILL NOT BE PERMITTED.

#### Response to Amendment

The reply filed on March 25, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): deleting limitation to change the scope of the claims while the prosecution is closed. The limitation "loading the at least one maneuverable rack back onto the transfer vehicle ... from the second location" must be included in claim 1 and underlined as required by 37 CFR 1.173. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF TIME UNDER THE PROVISIONS OF 37 CFR 1.136(a) WILL NOT BE PERMITTED.

## **Drawings**

3. The drawings were received on March 25, 2005. These drawings are accepted and have been entered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thuy v. Tran whose telephone number is 571-272-6932. The examiner can normally be reached on M-F.

Application/Control Number: 09/928,546
